VACCINATION UPTAKE

AN EVALUATION OF VACCINATION UPTAKE IN AOTEAROA DURING THE PANDEMIC, UNDERTAKEN WITH THE MĀORI COVID-19 COORDINATION FORUM.

THE WORK EXAMINED THE ADMINISTRATIVE PATHWAYS, THE ELIGIBILITY RULES, THE BOOKING SYSTEMS, THE LANGUAGE AND THE TRUST ARCHITECTURE THAT DETERMINED WHO COULD AND DID PRESENT FOR VACCINATION, AND IDENTIFIED WHERE THE BURDEN OF ACCESS WAS PRODUCING INEQUITABLE OUTCOMES.

THE FINDINGS INFORMED BOTH IMMEDIATE OPERATIONAL CHANGE AND THE WIDER SCHOLARLY PROGRAMME ON ADMINISTRATIVE BURDEN IN AOTEAROA THAT THE PRINCIPAL CONTINUES THROUGH HER DOCTORATE AND SUBSTACK.

INDEPENDENT QUALITY ASSURANCE REVIEW

AN INDEPENDENT QUALITY ASSURANCE REVIEW OF A LARGE DEFENCE INVESTMENT, TAKING A LONG LENS ACROSS TWENTY YEARS OF DECISIONS.

THE WORK EXAMINED THE RATIONALE, THE EVIDENCE BASE, THE ASSUMPTIONS AND THE ASSURANCE ARRANGEMENTS THAT HAD CARRIED THE INVESTMENT THROUGH SUCCESSIVE CABINET ROUNDS, IDENTIFIED WHERE THE CHAIN OF DECISION-MAKING HAD DRIFTED FROM THE ORIGINAL LOGIC, AND SET OUT WHAT WOULD NEED TO BE TRUE FOR THE NEXT DECISION TO STAND.

THE WORK WAS PROVIDED TO THE SPONSORING AGENCY AND THEN TO CABINET AS EVIDENCE FOR READINESS TO RECEIVE FUNDING TO UPGRADE SEVERAL BASES.

PROXY MEASURE

A NZXS LISTED COMPANY COMMISSIONED A REVIEW OF ITS ADMINISTRATIVE BURDEN COST USING THE ADMINISTRATIVE BURDEN FRAMEWORK, IN ORDER TO ESTABLISH A DEFENSIBLE PROXY COST OF REGULATORY CHANGE THAT IT WAS EXPERIENCING.

THE WORK TESTED HOW BURDEN COULD BE MEASURED, WHERE THE COST OF A PROPOSED CHANGE WOULD FALL AND ON WHOM, AND HOW THE MEASURE COULD BE INTEGRATED INTO THE COMPANIES STANDING RELATIONSHIP WITH REGULATORS.

THE MEASURE IS NOW IN ITS FINAL STAGES OF BEING INCLUDED IN ALL ITS FINANCIAL MODELLING AND COMMENTS ON REGULATORY CHANGE PROPOSALS BROUGHT FORWARD BY THE GOVERNMENT.
